Scholarship Application

Animas Valley Institute offers financial aid as a way to support people in being able to participate in our programs. It is our belief that the opportunity to enact a quest or enter into a relationship with soul under experienced guidance should not be limited by a person's economic status. Therefore, we are committed to offering partial scholarships when needed to those who are ready for the journey but would be unable to participate without such aid. Our scholarships are made possible by generous gifts from the greater community of Animas Valley Institute. **Partial scholarships** are based on a first-come-first-served basis and are subject to the current balance in our scholarship fund, as well as factors you supply on your financial aid application. **Incomplete applications will be returned to you to complete before we respond to your request.**

Please also note that we cannot offer scholarship amounts for retreat center fees or travel costs. If your local currency is other than U.S. dollars, please convert your answers to the above questions into U.S. currency amounts.
